

## **RETURN TO SCHOOL SPORT PLAN – Version 2**

*October 6, 2020*

### **PREAMBLE**

School sport has countless physical, mental, and emotional health benefits. As much as any other group or individual, the MHSAA wishes to see athletics return to the school setting. First and foremost, the safety of all involved with school sport is the priority of the MHSAA and directives from the Government of Manitoba, and Manitoba Health take precedence over any decision made at the MHSAA, school division or school.

In accordance with the Government of Manitoba's Restoring Safe Schools Guidelines and Restoring Safe Services – Sports Guidelines, the MHSAA's Return to School Sport plan permits school sport to return in a controlled, modified, and flexible approach. It considers the varied opportunities and challenges of our Zones and member schools across Manitoba, who are in either an urban or rural setting.

**It should be emphasised that this plan is current and fluid.** The MHSAA will continue to re-evaluate and adapt as new information and guidelines become available, with the best interest of our student-athletes always in mind.

The MHSAA remains committed to protecting the health and safety of our student-athletes, staff, coaches, member-schools, and the health of all our fellow Manitobans.

### **RETURN TO SCHOOL SPORT APPROVAL**

It is vital that before any Return to School Sport occurs, that you consult and obtain approval from your school division's administration, or school administration for independent schools.

Further, each school's administration will be responsible to determine how Return to School Sport will be implemented in their building, ensuring all current Provincial Public Health Guidelines are followed and each sport specific Return to Play Protocol is being adhered to.

### **LEAGUE & EXHIBITION PLAY**

The MHSAA will permit localized league and exhibition play provided that the Zone receives approval from their respective school division(s), or school(s) administration for independent schools. All current Provincial Public Health Guidelines must be followed and the sport specific Return to Play Protocol permits competition.

### **PROVINCIAL CHAMPIONSHIPS**

Provincial Championships, for any sports, will not occur at this time and until further notice.

### **TOURNAMENTS**

The MHSAA will not be sanctioning any tournaments, for any sports, at this time and until further notice.

### **INTERPROVINCIAL TRAVEL AND TOURNAMENTS**

MHSAA member schools will not be sanctioned to travel out-of-province or attend out-of-province tournaments at this time and until further notice.

## **SPECTATORS**

It is strongly recommended that school sport activities occur without spectators. However, if spectators are approved by the school division and/or principal to be present, they must comply with the maximum gathering limits and must maintain physical distancing measures.

## **MHSAA FALL SPORTS STATUS**

A summary of the status of the MHSAA's Fall sports, as per their most current sport specific Return to Play Protocol. Visit the links below for complete details of each sport specific Return to Play Protocols.

**\*\*\* As of September 28, 2020, the Winnipeg Metropolitan Region has been moved into the Province's Pandemic Response System level of Orange: Restricted. Please see below for sport specific RTP updates. \*\*\***

- **Football (tackle):**
  - o 80 person maximum during any activity at a field.
  - o training and competition will only occur amongst the consistent cohort of 80 persons at school.
  - o no member of your team/cohort may be a part of any other sport cohort during this stage, unless that other sport cohort is also using the sanctioned RTP guidelines of their Provincial Sport Organization.
- **Golf:** full return to play permitted, with modifications in place.
- **Soccer:**
  - o full return to play permitted, with modifications in place.
  - o Winnipeg Metro Region returned to Phase 2 (no competition).
- **Cross Country:** full return to play permitted, with modifications in place.
- **Volleyball:**
  - o Beginning October 1, 2020 - indoor volleyball full team training, including 6 v 6 volleyball, on a regulation sized volleyball court (18m x 9m) may now be resumed.
  - o Return to Competition for full indoor 6 vs 6 game play will be considered at the next stage on a date **to be determined**.
- **Hockey:**
  - o Beginning September 1, 2020 - on-ice skill development (non-contact), drills, team tactics, tryouts approved; no competition permitted.
  - o Beginning October 2020 - return to competitive hockey permitted provided the completion and approval of compliance templates by MHSAA / Hockey Manitoba member leagues.
