### WHERE TO MEASURE

#### NECK

Measure around the base of your neck, inserting your forefinger between the tape and your neck to allow ease in fit.

#### CHEST

Measure around the fullest part of your chest, keeping tape firmly under your armpits and around your shoulder blades.

#### WAIST

Measure around your waist, slightly below your natural waist, where you normally wear your pants. Insert your forefinger between the tape and your body to allow ease in fit.

#### SLEEVE

Bend your arm slightly. Measure from center back neck, across your shoulder, down to your elbow, down to your wrist.

Tip: For the most accurate results, measure yourself in your undergarments.

#### BETWEEN SIZES?

If your measurements are in between those listed in the size chart, pick the next larger size.
