Elam Target Scoring Rules:

1. The first time the game clock stops with 4:00 minutes or less in the 4th Quarter of each game, time played will end and a TARGET SCORE will be set, EQUAL to the LEADING Teams Score plus nine(9).

EXAMPLE: At the less than 4:00min., at the stoppage, IF the score is 77 – 71, then the TARGET SCORE after adding 9 points to the Leading score(77) becomes 86. FIRST TEAM TO SCORE 86 WINS THE GAME

2. If the stoppage at/under 4:00min. is a foul shot resulting in free throws, the free throw(s) will be administered before setting the Target Score.
3. The Shot Clock will remain intact and used for the ENTIRE DURATION of the 4th quarter of the game as it normally would be.
4. ONLY TWO(2) Time Outs may be used by each team during the untimed portion of the 4th quarter. If you have 3 time-outs left under 4min stoppage, you will lose a time-out
5. **THE FIRST TEAM TO REACH THE TARGET SCORE WINS THE GAME.**
