Re: PLAYERS CHOICE AWARD

The MHSAA is proud to introduce an award called the PLAYERS CHOICE AWARD, sponsored by the Dairy Farmers of Manitoba. This award was developed by the MHSAA's Athlete Committee as a way for participating athletes to award one of their peers.

The purpose of this award is to recognize players who contributed positively to their team and the sport of Basketball. This player should be representative of the following qualities:

- Must be a participating player in the Provincial High School Basketball Championships
- Display leadership qualities
- Exemplify tenacity and dedication to their team
- Exemplify a positive attitude towards officials, teammates and opponents
- An all around "good guy" or "good girl"
- Role model for others

(A reminder that this award **is not** necessarily based on athletic skills, but rather on the preceding criteria).

Vote for **one of your team members** as well as **four players from other teams**. (Note that the boys vote for the boys and the girls vote for the girls). Please print names and schools of each candidate as well as your own in the appropriate spaces. All ballots must be given to convenor of the Championship before the SEMI FINAL GAMES begin. The PLAYERS CHOICE recipient will receive a plaque commemorating their achievement. Thank you for your participation
