## D.I.G. Award

The SCS D.I.G. award is presented to the player who exemplifies the qualities of dignity, integrity, and grace in their day-to-day interactions with their coaches, teammates, opponents, and officials both on and off the court.

We define dignity, integrity and grace in the following manner:

### **Dignity:**

- Respect for self and others.
- Someone who is compassionate, understanding, has empathy, and seeks equality.

### **Integrity:**

- Committed to the truth.
- Someone who does the right thing whether or not someone is watching.

### **Grace:**

- The elegance with which we handle people and situations.
- Someone who accepts both victory and defeat graciously.
